**§ 882.401 Eligible properties.**

(a) *Eligible properties.* Except as provided in paragraph (b) of this section, housing suitable for moderate rehabilitation as defined in § 882.102 is eligible for inclusion under the Moderate Rehabilitation Program. Existing structures of various types may be appropriate for this program, including single-family houses, multi-family structures and group homes.

(b) *Ineligible properties.* (1) Nursing homes, units within the grounds of penal, reformatory, medical, mental and similar public or private institutions, and facilities providing continual psychiatric, medical or nursing services are not eligible for assistance under the Moderate Rehabilitation Program.

(2) Housing owned by a State or unit of general local government is not eligible for assistance under this program.

(3) High rise elevator projects for families with children may not be utilized unless HUD determines there is no practical alternative. (HUD may make this determination for a locality's Moderate Rehabilitation Program in whole or in part and need not review each building on a case-by-case basis.)

(4) Single room occupancy (SRO) housing may not be utilized unless:

(i) The property is located in an area in which there is a significant demand for such units as determined by the HUD Field Office; and

(ii) The PHA and the unit of general local government in which the property is located approve of such units being utilized for such purpose.

(5) No Section 8 assistance may be provided with respect to any unit occupied by an Owner; however, cooperatives will be considered as rental housing for purposes of the Moderate Rehabilitation Program.

**§ 882.402 [Reserved]****§ 882.403 ACC, housing assistance payments contract, and lease.**

(a) *Maximum Total ACC Commitments.* The maximum total annual contribution that may be contracted for is the total of the Moderate Rehabilitation Fair Market Rents for all the units. The fee for the costs of PHA administration is payable out of the annual contribution.

(b) *Project account.* (1) A project account will be established and maintained by HUD as a specifically identified and segregated account for each project. The account will contain the sum of the amounts by which the maximum annual commitment exceeds the amount actually paid out for the project under the ACC each year. Payments will be made from this account when needed to cover increases in Contract Rents or decreases in Gross Family Contributions for (i) housing assistance (including vacancy) payments, (ii) the amount of the fee for PHA costs of administration, and (iii) other costs specifically approved by the Secretary.

(2) When a HUD-approved estimate of required payments under the ACC for a fiscal year exceeds the maximum annual commitment, and would cause the amount in the project account to be less than 40 percent of the maximum, HUD will, within a reasonable period of time, take such additional steps authorized by Section 8(c)(6) of the U.S. Housing Act of 1937, as may be necessary, to assure that payments under the ACC will be adequate to cover increases in Contract Rents and decreases in Gross Family Contributions.

(c) *Term of Housing Assistance Payments Contract.* The Contract for any unit rehabilitated in accordance with the Program must be for a term of 15 years.

(d) *Term of Lease.* (1) The initial lease between the family and the Owner
